

Course Name:	Watercolour for Beginners	Start Date:	Wednesday 9 September
Tutor Name:	Natasha Barr	Time:	2:00 – 5.00pm

PLEASE NOTE: ATTACHED IMAGES WILL BE SUPPLIED BY THE CRESCENT ARTS CENTRE ON FIRST DAY.

Brushes

- A selection of soft watercolour brushes would be ideal, ranging from small tips for detail to larger brushes that hold a lot of water for background washes. These can be bought in sets or individually.

Paint

- Watercolour paint can be purchased in tubes or in solids. In class we will be working with tubes of watercolour paint and the following is a list of colours that you will need; 2 reds (Cadmium red, Alizarin Crimson), 2 Blues (Ultramarine & Cerulean), 2 yellows (Cadmium yellow & Lemon Yellow). You'll also need Ivory black, Raw Umber & Burnt Sienna. Please buy quality brands such as Winsor Newtown and not from discount stores – It matters!

Palette

- The bigger the pallet with individual sections to mix your paint the better.

Paper

- Please use good quality watercolour paper – I will be working on both A4 & A5 size paper. Cheaper watercolour paper from discount stores is ideal for test paper

Masking Tape

- You will need this to frame your paintings with masking tape. “Frog” tape is also a good tape to use.

Masking Fluid

- You will need this to protect areas of your painting that you don't want to work over

Other Equipment

- Ruler
- HB Pencil
- Apron
- Kitchen Roll
- 2 x jars (for water)
