Tutor Name:	Patrick Hickey	Time:	5:30 – 7:30pm

Paper

Feel free to bring any kind/type of paper – this does not have to be expensive. It can be lining paper, brown paper roll (packaging paper) or a cheap sketchbook. The **smallest** size I would recommend would be **A3**. I found these A3 sketchbooks on The Works website.

I would also recommend **A2** paper (you can buy sketchbooks in this size in Bradbury Art or on Amazon).

Drawing Mediums

Charcoal – **willow** and **compressed** charcoal. Again The Works website has both of these items at reasonable prices. You do not need to break the bank with expensive materials (although you can if you'd like!).

Feel free to bring any other medium (the only one we **cannot** use is **oil paint**) to experiment with. This can range from acrylic paint, watercolours, inks, oil pastel and so forth.
